

MARKET FINANCIAL.

TRADE MOVES IN NARROW GROOVE

Will Probably Continue in This State Until After the Election.

STEADY PROGRESS SHOWN

Apparent Purpose of Banking Interests to Repress Public Interest.

BY W. G. NICHOLAS.

NEW YORK, Oct. 21.—The stock market continues to be in a narrow groove...

There may also have been some inside selling of Amalgamated Copper by the Boston party...

There is no question as to the fact that the market is growing steadily more conservative...

There is no question as to the fact that the market is growing steadily more conservative...

With the approach of winter members of the "curb" market are endeavoring to find a new "curb"...

The mining speculation which is now being conducted in the "curb" market...

One of the plans suggested is for "curb" members to form a "curb" association...

As business is now done on the "curb," it is as safe as on the Stock Exchange...
